

Invitation to Quote

Telecommunications Market Database Application

The Telecommunications & Radiocommunications Regulator (TRR) invites interested individuals and firms to submit a proposal including a quotation for the development of a computerized market database application.

The following key attributes shall form the basis of developing the TRR market database application:

- **Data:** Current market data on excel must be able to be migrated to the database. This will be developed in close consultation with, and with major input from, appropriate TRR staff.
- **Usability:** The database must be user-friendly, with the interface and navigation simple and reliable and required data quick and easy to access.
- **Accessibility:** The system must be network enabled and able to be accessed concurrently. It must also enable user security levels
- **Compatibility:** System must be compatible with appropriate applications like Microsoft Suite
- **Reporting:** able to provide required reports in hard and soft copy form, and in singular and aggregated form.
- **Other system attributes required by the client**

The database management system will be developed in such a way that it:

1. Stores and provides efficient access to all TRR Market and Competition data or statistics;
2. Ensures secured storage and retrieval of data by different levels of users, and in singular or aggregated form;
3. Is comprehensive, interactive, easy to use and navigate, esthetical;
4. Is robust, scalable and provides consistent and reliable data;
5. Avoids redundancy and ensures consistency;
6. Can represent all current and expected data over time;
7. Can produce the required data in soft and hard copy form;
8. Has long term technical support;
9. Has efficient reporting features;
10. Provides for backup and continuity purposes;
11. Has Open Database Connectivity features and can be web integrated;

12. Provides Import and Export features.

In the preparation of price quotation, interested persons are to contact TRR to obtain the relevant Terms of Reference in order to complete the tender. We are available for any queries you may have by email, telephone or face-to-face discussion. Quotations shall be valid for a period of forty five (45) days from the due date of submission and, must reach TRR at the following address at no later than **4.30 pm, 24th, October, 2014**.
