TVL and Vanuatu ICT Day

On Friday 15th May 2015, The Pacific Information and Communications Technology (ICT) days 2015 was officially opened by the Honorable Prime Minister Joe Natuman.

Telecom Vanuatu was among many other IT and telecommunications offices; and they all welcome this year's theme: "Telecommunications and ICTs: Drivers of innovation". TVL booth received visitors from all ages and students and kids enjoyed playing games with TVL's new tablets during both days.

Congratulation to Mrs. Patricia Mara from the Meteo Office who was the winner of the draw; all smiling she run away with the awesome Samsung S6.

TVL would like to thank the public who visited their booth for the fiber technology and Flybox project. TVL "one team" attitude contributed TVL to win the Best Digital Inclusion Award. This award was given in recognition of innovative development that encourages the rights of disadvantaged groups to adapt ICT among the pacific countries.
