Request for Proposal For Internet Services Provision to Selected Schools

The Office of the Telecommunications and Radiocommunications Regulator (TRR) is the implementing agency of the Government's Universal Access Policy (UAP), under the UAP the TRR has piloted projects in education, these being the establishment of a Computer Laboratory and Internet Community Centre (CLICC) and the provision of Tablets for Schools (TFS). As part of this project and through the TRR, the internet service providers supplied internet services to the 19 schools. These schools are due to be handed over to the respective Government Ministry on the 1st of January, 2018 and the provision of internet services needs to be refreshed prior to the handover, hence, the subject of this RFP.

In addition to the 19 Sites, TRR has extended the project to a further two (2) Schools who have met all conditions and criteria to be provisioned with Internet Services.

Interested Internet Service Providers may obtain the Tender Document by:

- a) Downloading a copy at TRR's website,
- b) Requesting a copy by email to bradpartridge@trr.vu or hansonwaki@trr.vu
