TELECOMMUNICATIONS RADICOMMUNICATIONS AND BROADCASTING REGULATOR (TRBR) TENDER NOTICE

For the DOT VU (.vu) Domain Name Registry Operations

Building on from the Notice released some weeks ago, regarding the Vanuatu domain name Management and Administration Regulation (the .Vu Regulation), TRR is now inviting tenders from organisations interested in operating the back end registry for the .vu country code top level domain.

Pursuant to The Vanuatu Domain Name Management and Administration Regulation Order No 206 of 2016, under the Vanuatu Telecommunications and Radiocommunications Regulation Act 2009, Telecom Vanuatu Limited has been appointed the Interim Registry Operator for the six month period which will conclude on 4 February 2019. The Vanuatu Telecommunications, Radiocommunications and Broadcasting Regulator (TRBR) invites tenders for the appointment of a Registry Operator from that date, or sooner if agreed by the parties.

Full details of the tender process and timeline are included in the Request for Proposal (RFP) which can be downloaded from the TRR website at <https://trr.vu/en/telecom-industry/internet-governance/cctld/tenders>. The document will be available on this link shortly. Please check again .

A copy of the proposed contract for the operation of the registry, which includes the technical requirements expected from the successful tender, can also be downloaded from the TRR website at <https://trr.vu/en/telecom-industry/internet-governance/cctld/contracts> . The document will be available on this link shortly. Please check again .

Tenders close at midnight on Monday 12 October 2018. Evaluation of the tenders will be undertaken during October 2018, and it is anticipated final negotiations with the successful tender will be concluded during November 2018.

Interested organisations must submit their bids and support information to the address below before midnight on Friday 12 October 2018. **Late bids will not be considered.**
