

## Luganville 2020 Pacific ICT Days postponed

**THE 2020 PACIFIC** ICT Days celebration in Luganville, Santo, SANMA province, is now postponed until further notice.

The Local Organising Committee (LOC) of 2020 Pacific ICT Days, has to postpone this event in Luganville, mainly due to the COVID-19 pandemic, and also to major damages caused by the recent Category 5 Tropical Cyclone Harold that devastated the northern part of Vanuatu, including Luganville town and SANMA province.

In a media statement issued by the Chairman of the Local Organising Committee, Deputy Chief Information Officer (CIO) at the OGCIO, Mr John Jack confirmed the 2020 Pacific ICT Days event that was initially planned to take place on 17th May in Port Vila and in Luganville is now postponed.

Meanwhile, Coordinator for the 2020 Pacific ICT Days Luganville event, Mr. Norman Warput would like to thank community leaders and stakeholders in Luganville for their continuous support, and assures them that the Local Organising Committee will issue another statement in regards to the hosting of the event, once an all clear is given for the COVID-19 threat.

The Pacific ICT Days is an annual event and usually takes place on the 17<sup>th</sup> of May annually.
